## EDUCATION

| Degree           | Institute/Board                        | CGPA/Percentage | Year      |
|------------------|----------------------------------------|-----------------|-----------|
| B.E (Mech)       | SNS College of Technology, Coimbatore  | 8.42 (Current)  | 2022-2026 |
| Higher Secondary | ST. Antony's Higher. Secondary. School | 72%             | 2022      |
| Secondary        | ST. Antony's Higher. Secondary. School | 76%             | 2020      |

## INTERNSHIP EXPERIENCE

- **Core Company** (*Machine Operator and component designer*) *June 2024 – July 2024*
  - **CNC LATHE MACHINE**  
A CNC (Computer Numerical Control) internship provides hands-on experience in programming, operating, and maintaining CNC machines. Interns learn to create precise components by interpreting technical drawings, setting up machines, and optimizing manufacturing processes. It offers practical exposure to machining, CAD/CAM software, and industry standards.
  - **COMPONENT DESIGNING**  
A component design internship offers hands-on experience with designing processes, focusing on using CAD/CAM to design a row materials and components. Interns learn to interpret technical drawings, set up machines, and select appropriate tools for various operations. This role develops skills in precision manufacturing and component designing in industrial settings.
- **IT Company** (*Full Stack Developer*) *June 01 - 2025 – July 01- 2025*
  - **WEB DEVELOPMENT** (*Company: AK Code Lab, RS puram, Coimbatore.*)  
A Full Stack internship provides hands-on experience in programming, I Trained as an cross-platform Web developer with HTML, CSS, JS and Contributed in developing a part of front-end of an Site's. Gained experience as a cross-platform developer, focusing on React JS for website development. Contributed significantly to the front-end development of multiple React JS-based websites.
  - **PROJECT WORK EXPERIENCE**  
Project Title: V-Mart Ecommerce  
Project Type: Full Stack Web Application Development

## PROJECTS

- **Dual Axis Vehicle Steering Mechanism** *Nov 01 2022 - Nov 15 2022*
  - Developed A dual axis vehicle steering mechanism for a comfortable user experience and Easy controlling. (developed by prototype)
- **Foot Step power Generator Using Arduino** *Jan 16 2024 - Feb 01 2024*
  - There Is a Constant Demand for Energy and power, so the way to generate the power is Foot Step Power generator. (developed by prototype modal.)
- **GenAI – AI Based Food Quality Assessment** *March 16 2025 - Apr 10 2025*
  - built an AI-based food quality assessment system using N8N tool to automate the workflow. It sends email requests for food photos with timestamps, and sends reminders if no response is received. Once uploaded, the photo is analyzed for quality and safety, ensuring food standards are met efficiently.

## SKILLS

- **Tools:** Excel, MS-Office, Minitab, Arduino UNO, Git, N8N Tool
- **Programming Languages:** Python, HTML, CSS, JAVA(Basics),
- **Technology:** MERN Stack (MongoDB, React.js, Node.js, Express.js)
- **Operating Systems:** Windows, Linux.
- **Non Technical:** Leadership, Team Work, Adaptability, Time Management, Team Leader,
- **Languages:** English, Tamil, French

## CERTIFICATIONS

- **Paper presentation:** Participated 3 | 2022-2024
- **Hackathon:** Participated 3 | 2022 - 2024
- **Symposium:** GENISIS | October 2023 |

## POSITIONS OF RESPONSIBILITY

- **club Coordinator** Web Design Event Coordinator | senior association Member 2024 – Present | SNS Youth Parliament Member
  - **Coordinated** with faculty and administration to align placement activities with academic schedules and requirements.
  - Created and maintained** a detailed database of student profiles, including academic performance, skills and career aspiration.

## PARTICIPATION CERTIFICATE

---

- **Participation Certificate:** 4 Paper Presentation | 3 Webinars | 1 Symposium | 1 Project Expo | Great learning (python, HTML, CSS)
- **Workshop:** Sathyabama University (bio diversity), PSG College of Technology (retrofitting electric vehicles) | 2023

## EXTRACURRICULAR

---

- **Sports:** Volley ball player *2025-Present*
- **Event Organizer:** Web designing club *2025-Present*
